- A. - C. All moderators of Associations of the Conference.

- E. The Dean of Yale Divinity School and the President of Hartford Seminary if such persons are members of Local Churches of the United Church of Christ holding standing in our Associations.
- F. All Authorized Ministers in regular standing in Associations of this Conference.

Delegates from Churches - Delegate packets are being sent to each delegate at their home address if the church has provided it. Otherwise, delegate packets were mailed in care of the local church address with a label: Conference Meeting Delegate #1, #2, #3 etc. **It is of vital importance that each church make a special effort to be represented at the Annual Meeting by its Authorized Ministers, and by its full complement of delegates.** Advance registration is encouraged so that appropriate arrangements may be made. **(If one of your "church delegates" is also a delegate under B-F, please appoint an additional delegate from your congregation).**

It is extremely important that all Authorized Ministers and Lay Delegates attend the entire meeting. Items recommended by the Board of Directors will be taken up Saturday and Sunday; social resolutions will be presented and acted upon on Saturday and continue into Sunday if needed. The budget will be acted upon on Sunday morning. Important matters are likely to come up at any time. The Proposed Revision of Bylaws will be approximately at 10:00 on Sunday morning. The maximum attendance at all sessions is of vital importance.

Delegates are requested to be sure to bring to Annual Meeting information from mailings, especially the budget, nominating committee report, and the proposed revision of bylaws since sufficient duplicate copies may not be available.
